

Bug Bingo

| | | | |
|---------------------------------------------------------|---------------------------------------------------------------------|----------------------|-----------------------------|
| <p>Water Insect</p> <p>dragonfly & nymph</p> | <p>Hopper bug (Grasshopper, leafhopper, cricket)</p> | <p>Cocoon</p> | <p>Ant</p> |
| <p>Insect eggs or larvae</p> | <p>Insect Relative</p> | <p>Bee</p> | <p>Butterfly</p> |
| <p>Fly</p> | <p>Gall</p> | <p>Beetle</p> | <p>Insect Damage</p> |
| <p>Moth</p> | <p>Worm</p> | <p>Sowbug</p> | <p>Pollen</p> |

Tips:

You might need to gently look under things...rocks, logs, leaves

Be patient...stop, be still, look, listen

Go to the dock near the Nature House or the one beside the bridge. Lie on your belly and look into the water. Watch and wait.
